

# JAGRAN HITECH AWARDS CRUISE VARIOQOOL 1W AS '2024 AC OF THE YEAR'

Cruise Appliances is elated to share that our innovative VarioQool 1W Convertible AC has been awarded the prestigious title of "2024 AC of the Year (Viewers' Choice)" at the highly acclaimed Jagran Hitech 2024 Awards, held on 13th December in New Delhi.

This accolade is a testament to the trust our valued customers place in us and highlights the dedication we invest in delivering cutting-edge technology, unparalleled quality, and exceptional performance. The VarioQool 1W 4 in 1 Convertible AC has set new benchmarks in the HVAC industry, offering versatility, energy efficiency, and comfort tailored to the needs of modern consumers.

We extend our heartfelt gratitude to everyone who voted for us and stood by us on this remarkable journey. Your support inspires us to continue innovating and achieving greater milestones.

At Cruise Appliances, this recognition reaffirms our mission to redefine comfort and sustainability in the HVAC space. As we celebrate this proud moment, we look forward to many more achievements and continuing to exceed customer expectations.

Thank you for being a part of our success story!
